

NATIONAL FREE FLIGHT SOCIETY

DEDICATED TO THE INTEREST OF FREE FLIGHT AEROMODELING

PRESS RELEASE

FOR IMMEDIATE RELEASE:

6/10/2020

It is with great regret, that AMA and NFFS today announce that the current COVID-19 pandemic has forced the cancellation of the Outdoor Free Flight NATs scheduled for July 27-31, 2020 in Muncie, Indiana. We do not anticipate that there will be a rescheduling of this event in 2020. Anyone that had already registered WILL be refunded 100% by AMA automatically.

Obviously, the health and safety of contestants is our primary concern and we could not find a reasonable accommodation to present a National Championship contest and ensure the safety of contestants travelling from across the country where this pandemic continues to impact daily life.
